1st Ballan either owns, or, has access to a large range of extensive camping and adventure equipment such as tents, stretchers, ropes, cooking gear. The cost of this equipment is met by community donations and fund-raising events. When your child joins Scouts, they will be benefiting from the efforts of the community over the years to acquire these resources. It is essential that current families do their bit to support all fund-raising activities & events toward the continuing purchase and maintenance of this equipment and other resources for the Group.

Personal Equipment

In years to come you may need to equip your child/ren with items of personal equipment such as:-

Mess Kit	Sleeping Bag	Backpack	Sleeping Mattress	Solid Shoes

and so on. The older your child gets the more of this type of equipment he or she will need. However, there is no rush to buy these things and they make great ideas for birthdays and Christmas. It is always worth buying good quality equipment that will last and continue to be suitable for many years. Seek advice from your Section Leaders where reputable retailers can be found.
