

## 1st Ballan Leaders

Our Leaders are volunteers from the community, often the parents of Scout-age children, who have an interest in developing young people's potential.

Leaders are put through a rigorous selection and training process. All potential Leaders are given full police and referee checks, must obtain a Working with Children Check Card (in Victoria) then supervised and trained fully before they are able to work with young people on their own.

Leaders receive no financial reward for the work they do in the Group and pay fees for excursions, camps & experiences just like all our 1<sup>st</sup> Ballan families as well as annual fees for their children's participation.
